The chamber's mission is to *“enhance the economic and civic vitality of the businesses and citizens of Boone”*. We do this through a variety of events, activities, promotion, and marketing throughout the year.

We constantly strive to provide you and your business or organization ‘value’ for the dollars you invest in us. We continually look for ways to focus attention on our retailers, grow our industrial base, advertise our area attractions, and improve the overall quality of life here in Boone and Boone County.
