Dear Chamber Member,

We kick off the week with our first true, local delays for school districts. Even at that, it is just a delay and not a closure. Our unbelievable winter continues.

As we were about to embark on our opening night of the 2012 Leadership Program last week, the winds whipped up some light snow and yes, even created a few measurable drifts. Our planned outing into the DM River Valley was not to be denied, nor the tour of [Sunstream Retreat](#). A quick jaunt via **Boone County Transportation** bus had us at the retreat in just a few minutes. A sincere thank you to *Boone Bank and Trust, Members 1st Credit Union and Boone's Future* for their sponsorship of this year's Leadership Program. We have a full class gaining valuable experiences in all things government, agriculture, business and industry, education, human needs, community development and quality of life. Session #2 is tomorrow night. Have a great week!

Sincerely,

Kurt R. Phillips
