

BOONE AREA CHAMBER OF COMMERCE

E-Newsletter

Monday, January 30, 2012

Dear Chamber Member,

This week marks the first time that the chamber's newsletter is sent to you electronically. Later today you should see the February 2012 Chamber Express in your email inbox. Later this week, it also becomes accessible on our website under the Chamber of Commerce tab. Click on **Chamber News**.

We're sending it as a PDF document, one of the most recognizable file formats for computers of any age. Electronic delivery allows us the advantage of adding color, making monthly changes to advertiser copy, linking websites in the editorial, and adding or deleting pages to meet the needs of written content.

You'll even note that inserts are still available as the Kiwanis Ham Dinner is promoted in this issue. What if you take an extended business trip or vacation? What if you winter in the southern United States? While regular mail can be forwarded to a new address, the Chamber Express Newsletter can find you wherever there is an internet connection, and access to your email or our website. Lastly, for those of us who could use a little larger print, our newsletter can now be magnified to suit your personal viewing needs. Check it out today, and let us know what you think. *Have a Great Week!*

Sincerely,

Kurt R. Phillips

Kurt R. Phillips, Executive Director
